

We welcome **PETS IN OUR PARK**

- ♥ Please keep your pet on-leash at all times in the general Park area
- ♥ We have lots of room in the lower tier and sunrise viewpoint areas for your pet to play off-leash - unfenced, so they need to be under voice control
- ♥ Please collect their droppings using your own bags or the doggy bags we have at every bin point - and place in the General Waste (red/green lid) bins
- ♥ If staying in a cabin please declare your pet at time of booking. Max pets 2 per cabin.
- ♥ Do not leave your pet unattended in a cabin - they get lonely and bored....
- ♥ Puppies and kittens under 6 months cannot stay inside cabins
- ♥ Please provide a bed for your pet - pets are strictly not allowed on cabin bedding
- ♥ Please do not use Park washing machines or dyers for laundering your pet bedding
- ♥ Please do not wash your pet in the Park amenities, kitchen/laundry sinks or in cabin basins/showers
- ♥ If your pet is not very sociable or elderly please ask that other pets are not placed in adjoining sites
- ♥ Free pet towels for pet use are available from the office on request
